- Is your pet microchipped? _____ If not, would you like it done during their stay? _____

Please list any other services requested while boarding

Any pet boarding with us will be inspected by the doctor before entering kennel. To protect all animals in our care, all dogs and cats entering our boarding facility will receive Flea or Tick prevention to kill any live fleas seen at the time of admission. This service is \$7 to \$25

All food must be in a spill proof container or bag with owner and pet name. All belongings are provided. Items brought from home may be lost or destroyed. Medications must be in the proper container from the hospital, if they are in any other container they will not be accepted and an exam will have to be done, and medication will be dispensed.

In case of illness while under our care, everything possible will be done to treat your pet. This may change your pet to full hospitalization status with additional charges for all the medications, examinations, and diagnostic testing that is performed, which will be billed accordingly.

Pets will be discharged during normal business hours, which are M,W,F 8am to 5:00pm, Thurs. 8am-7pm Sat. 8am to 12:30pm. We are closed on Sunday. No pet will be released on a Sunday or on holidays. A \$5 charge will be applied when pet boards during a holiday. If a bath is to be given you will not be able to pick up your pet before 11:00 AM on the day of pick up, due to bathing then drying. Due to machine drying health risk, we only towel dry pets. They may be damp at pick-up time, but your pets are safer and healthier without machine drying. In the event of abandoning my pet, I hereby authorize Vero Beach Veterinary Hospital to place or humanely dispose of such pet 10 days after written notice of abandonment to owner's address of record.

I affirm that I have read, fully understand, and agree to all the terms listed above. I also understand that I assume full financial responsibility for any and all services rendered and that a complete payment is due upon my pet's release.
